The team has made an effort to ensure that the Token meets the legal definitions of virtual currencies, meaning that it has starting liquidity on the DEX exchange, and that its exchange rate is independent of the token's creators. When you participating in the purchase / claim of the token you confirm that you have read and accept the legal conditions, terms and conditions and exclusions available in the whitepaper, at the same time you confirm that you accept as an individual the convertibility of the token in the BSC network. However, due to different legal jurisdictions, the
